

P.L.A.N.S. 1.0 - *People Legalize A New System*

Americans are no longer United; they are divided on multiple fronts. They were for awhile united around a bill of rights and constitution. They have allowed their rights to be dissolved by a criminal system. The entire world's economy will be affected by dollar devaluation. Not only Americans, but the World of People, need a new system. One that the world's people can unify on; firing the criminal elites. Our world could become much healthier, happier, and wonderful. But it is currently falling fast under the corruption of state fascism. We need a better system for us and our children. Here are some ideas. First we need to protect our right of free speech; so first unifying Around a document, this one for instance, is essential. We need To feel free emailing this message around the world for global consideration and even reading the following pages in public. The elites and those who are paid by this bad system won't like it; But that is exactly the force that we must unite and fight against.

To those within the united states who would have the hardest time accepting this information and message:

If you are one of the 42 million, or so, people receiving food stamps, or other forms of welfare from this corrupt government

Or

You are one of the 30 million or so illegal aliens who might be able to read this English text and are expecting continued benefits and amnesty from the current system

Or

A college student depending on government grants or loans to continue burning your time in college

Then

it is likely that you will want to side with the current system because you **DEPEND** on this temporary cash flow to be able to feed and house yourself, or also gain citizenship so you can continue living in the US.

But the rest of us **NEED YOUR HELP** in making for a better replacement system, so this booklet, so it becomes popular carries two messages - that **YOU WILL NOT LOSE YOUR WELFARE** for years to come after this current lying and corrupt war mongering system is replaced with something much better - as the replacement system will have to honor you for making the right decision to be on the side of justice and liberty for all.

So please keep an open mind, enough so that you will allow yourself to read this booklet and decide for yourself if you want to help better the world that you and your children will be living in, a couple of years from now.

And please help share this message, so that it does have a chance at being a popular read all over the world.

And of another note, the CIA FBI and other longstanding criminal 3 letter organizations will need to be abolished. Initially they were set-up by the mega-billionaire Rockefeller family to serve the interests of the elite. They have tricked up hundreds of thousands worldwide, controlling them, threatening them, while continuously assassinating; always without publicity about this criminal mafia organization's activities. But still most people know that the CIA and FBI represent rouge thugism. About 1/3rd of those will be needed to capture, detain, document in detail the guilt of, and incarcerate the other 2/3rds (66.6%). For those that prove they have helped abolish their own employment for the sake of justice and liberty for all, they will also be given what they need to next lead a good life.

Our Fellow Human Beings

We Need To Free Each Other
From the New World Order

A fellow highly informed American is writing this to you. There are some among us who may still believe there is nothing going wrong – that incremental states of corruption, abuse, warfare, and enslavement are just normal -- but those are types of people who couldn't state and detail the differences between the US Constitution and the Marxist Communist Manifesto. You, like the rest of us scattered across the countryside and the world around, are reading this because you already know something has gone very wrong in America and other places. Or perhaps it was emailed to you by a friend who feels that way, and you are just curious or starting to get concerned. Perhaps tyranny has already painfully fined, hurt, diseased, damaged, imprisoned, stolen, disappeared, or murdered a member of your family, home, or circle of friends.

This PDF booklet was limited to under 10 megabytes in size, so it may be shared fast and easily through email and memory cards; although it could have been encyclopedic: a terabyte out of out-of-control political, banking, wall street and corporate corruption. Only a few of us would like to read that much anyways. Effort has been made to compile this with the most brevity without diminishing clarity or criticality.

This particular booklet is a bit advanced, in terms of its focus on a solution to the current mess. The thousands of informative books and hundreds of eye-opening films that have been made in the past decades about the now rapid formation of the global governance plan, publicly stated as the 'new world order', have focused primarily on the crimes and gross quantities of evidence of the intrigue of the extremely wealthy and their subordinates; who have been identified as history's controllers, puppeteers, actors, and actresses. You are already intimately familiar with many of these personages; especially the very visible ones associated with the large corporate news media and hollywood. It is their job to give entertainment the highest priority and make everything seem normal.

The solution, most simply, is that We, the billions of common people worldwide, have a deep need to soon become the masters of our future and own fate; needing to change the way we have looked at history up to the year 2012. Then re-look at the way we are currently being laughed at, manipulated, controlled, bankrupted, weakened, poisoned, soft-killed, viciously killed; with the survivors among us becoming ever more enslaved.

Finally we need to imprison the many thousand assorted tyrants of our time and shake off all the former economic, mental, and physical shackles. Then build the -best- world for each other and ourselves and our next generation that we can imagine and build.

This book will provide some core ideas for increased capability, independence, freedom, and prosperity for all of us. How much we share and endorse this new way of looking back and thinking will determine our success at being who we are, fellow human beings.

And how can we really do this? First we need to recruit all the militaries around the world to our side.

P.L.A.N.S. 1.0 (People Legalize A New System! One Point Zero; eloquent true hope for our individual survival during this time of new world fascism)

To solve our biggest problems, we, including yourself, the people of this generation of the world all around us, most seriously need to ditch the era-old overly-complicated privately-owned elitist-controlled banking complex; removing the immense power of their leveraged wealth from the elites and replacing the to-be former system with a simple, transparent, and fair public monetary credit model. This message needs to be translated and transmitted expeditiously to every person under the influence of banker and establishment corruption around the whole world, and that signifies everyone.

Getting to the details... The current system has been and still is currently not only more and more robbing you of much of your time and future prosperity, it is killing you; either slowly or quickly; subtly or suddenly. Celebrity examples such as Oprah or even Tom Cruise choose not to tell you about the problem as their group discretion is a large part of the system's deception against you; but they know, and they know you most probably don't understand/realize/profit-from it. Such overly wealthy people have joined with the corrupted system; with the elite who run it. Such insiders are even willing to inhale the toxic chemtrail fall-out themselves for the sake of the system. Surely you have heard at least rumors about the massive atmospheric "chemtrail" spraying program that has been going on since the mid 1990's. Billions of tons of toxins already sprayed into the air above our heads without our knowledge or consent. There are dozens of well-researched documentaries about the 'chemtrail' global spraying program available for download so you may know more about it.

And if you have sons and daughters, this system has also been intentionally slowly soft-killing your children in other ways, and for profit, at an even increased rate of late. And it is extremely late in the game already. General life expectancy has been dropping. Illness in all its forms has been skyrocketing in babies through the aged. You may know this to be true as we are all witnessing it in friends, family, and neighbors: from asthma to cancers a-z back around to alzheimers, all rising off the top of previous charts.

This overly corrupt system, with Obama being its smooth lying public relations spokesman has in one decade committed thousands of absurd, outrageous, despicable, murderous, and tyrannical acts. Here is just a short top-of-the-mind summary of some, but there are too many to list on one page. Their wasteful, criminal, and murderous acts will not cease unless we clean out the entire barn; building a much better, more limited, and efficient honorable system under a modern constitution.

<p>1. Unconstitutionally starting an array of bloody invasionary banker-led wars for empire.</p> <p>2. Played ordinary Americans like opponents in a game of monopoly through insider trading and crony capitalism.</p> <p>3. Totally overriding the Privacy Amendment after a long trail of lies saying that the government isn't spying on ordinary Americans but they do.</p> <p>4. A thinly veiled one-party system that allowed for an imposter president using a stolen SSN number of Henry Bounel, 042-68-4425, a fake image of a birth certificate presented years late, and forged Selective Service ID cards.</p> <p>5. "Chemtrail" spraying of billions of tons of toxins into American skies daily for years.</p> <p>6. Spending trillions of dollars of wasteful excess into the shamelessly bloodsoaked military industrial complex.</p> <p>7. Persecuting a mostly controlled press and controlling the corporate mass media industry with even selective assassinations of key reporters.</p> <p>8. Millions of Americans have lost their life savings, a few banks and billionaires made billions on foreclosures: making triple profits on mortgages, on selling promisory notes as derivatives, and getting taxpayer bailouts for money they supposedly lost in bad loans.</p> <p>9. Staging major terror attacks in America in 2001 to launch invasionary wars around the world. (Three skyscrapers fell into dust that day - Building 7)</p> <p>10. Intentionally promoting mixing toxic hydrofluoro-salicytic acid into most of America's tap water for decades, decreasing IQs and increasing debilitating cancer en-masse.</p> <p>11. Racking up a national paper-debt over 17 trillions of dollars; which if all stacked up in one dollar bills would reach the moon and back 2.5 times.</p> <p>12. Promoting massive illegal immigration, with outrageously supplying benefits, of over 30 million competitors for American jobs; further bankrupting the once thriving and expanding middle class.</p> <p>13. From going #1 in health worldwide in 1950 to #46 in 2013 through engineering a cannibalistic-for-profit fascist medical model and a totally fake war on cancer.</p>	<p>14. For waging a all too costly, brutal, and inept war on drugs; where the government has become the largest drug importer; even an opium harvester out of Afganistan; and putting millions of harmless marijuana puffers into jail and hurting countless families.</p> <p>15. For outrageous wastefulness, such as private jetting Obama's dog around with SS escorts, for family vacations; while lecturing people in other countries that they shouldn't enjoy hot water showers. Unbelievable off the charts hypocrisy and audacious royal/imperial arrogance.</p> <p>16. For allowing the government to be entirely controlled through financial rule by a money printing private central bank innappropriately named the Federal Reserve, since 1913.</p> <p>17. For slave training groping by TSA and other nazi-like agencies of all Americans who travel and now attend sports events, etc.</p> <p>18. For continuous attacks on the entire bill of rights using the phoney and contrived threat of terrorism to break the will of common Americans; rendering them as slaves to a state tyranny that Hitler would be proud of.</p> <p>19. For knowingly promoting a omnipresent wireless communications industry that uses dangerous and harmful microwave frequencies which is causing massive now still hidden genetic damage to the entire population; targeting the unborn: as fast growing egg-cells in female infants are most damaged by 2.4Ghz cell-telephony and wifi microwaves.</p> <p>20. For destroying America's former reputation globally from a most impressive society into the most feared & despised war-mongering terror-peddling rouge nation worldwide.</p> <p>21. For the eventual broken promises and abandonment of now forgotten victims of natural disasters most notably from south and east coast hurricanes.</p> <p>22. For excessive ever increasing taxation and mindblowing array of excessive regulations in every sector. <i>Obamacare</i> is just a new example of such costly fascism.</p> <p>23. For blowing up the children and others in the Oklahoma City Murrah building bombing and covering up the whole staged terror psyop event primarily through their set-up, controlled and demonized patsy.</p>	<p>24. For funding and pointing the entire Homeland Security apparatus against the American people just like Nazi Germany did against its own citizenry.</p> <p>25. For demonizing and harshly persecuting American patriot whistleblowers such as Bradley Manning and Edward Snowden who warned us of war-crimes and unconstitutional spying.</p> <p>26. For dramatically federalizing local state and county police deploying militaristic brainwashing programs to paint all Americans as borderline terrorists; turning a class of civil servants into oppressive, swat-teaming, citizen-framing and beating, 'authorities'/abusers.</p> <p>28. For spending countless billions into state propaganda for use in coverups and promoting a police state buildup inside America and excessive militarism, all based on otherwise obvious staged events and a continuous stream of lies sold into the minds of a fearful population using the citizen's own system-spent tax money.</p> <p>29. For contantly lying to the American people from nearly every government agency.</p> <p>30. For being in general an incredibly ever more wasteful and parastic organization.</p> <p>31. For taxing Americans into widespread bankruptcy always more, taking ever more.</p> <p>32. Seeing that the only people who get punished inside the government only happen to be whistleblowers exposing lies, torture, war-crimes, and spying.</p> <p>33. For signing up for tyrannically unconstitutional UN-superclass foreign treaties targetting basic American civil liberties; outlined in the Bill of Rights; notably the right of self-defense against criminals, psychopaths, and any abusive rouge government.</p> <p>34. For controlling the major mass media in America while suppressing and targetting the voices of any independent and effective fact-reporting press outlets and vigilant citizens.</p> <p>35. For ruining America's schools through federalization; promoting dangerous wifi exposure within every classroom and feeding school children poorly; and brainwashing them.</p> <p>36. For pushing toxic and deadly vaccines on our children. ETC... THERE MUST BE A BETTER WAY FOLKS! RISE UP WITH GLOBAL FELLOW ENCOURAGEMENT !!!</p>

Therefore "big-pharma", this current establishment's medical model, and Obamacare also need to be taken out of power then replaced with a less costly and much more nature-based health public and private set of services. It depends on your environment and general individual luck, but the parasitic system gone bad has been robbing you for profit of years of your lives, and of course an otherwise much better state of happiness. You ask, "But that is the way it pretty much always has been { we were born into it }. What can we really do about it?" This conversation has become common.

First we have to talk openly about all these matters; spoken from us -to- the remaining majority of system-farmed trendy turkey-like persons and similar misguided sheeplike and apathetic problematic persons who just go along with the current system (because that is all they know and care to think about); amongst all of ourselves, everywhere. As it has been generally said, we must 'awaken' the rest of us to this extent of reality and convince them to be a part of a much more sane and better replacement system, on a global scale; and force the hands of our murderously corrupt controllers world-wide and their minions, into handcuffs and then into a public court and, if found guilty of such crimes, into incarceration.

Going forward, every man, woman, boy and girl speckling the world – must not feel scared or bullied by establishment controlled doctors, lawyers, politicians, corporations (yes, even our employers), police and military, including also parroting establishment educators who will not stop teaching established lies to our children in schools in support of the fascist system ; but instead feel free to be free and talk about the vitally important current issues brought up in this electronic or we-the-people-printed handbook,

The only way to right our global condition, and live healthier and longer and happier, is that We must first think and speak and then, eventually but as soon as possible, rise and stand up against the current rich class of socio-fascistic authoritarians forcing their deceptions, privately managed credit system, medical tyranny, and other methods of abusive control down the pyramid of wealth/power onto us. We must publically assemble into ever greater numbers. We must then seize and utilize their wealth in the creation of a new system, fully disabling them from power.

This booklet also contains dozens of good ideas to help with an overall solution to truly make for a better world for us and our lineages; but essentially having an open-mind to the historical problems, as fact-finding neo-historians uncover and detail for us, and also having an open mind for solutions - is necessary. So let's not be distracted by these lying politicians and controlled system media mouthpieces and the system's endless streams of mind-numbing entertainment - and let's publically talk about it all! All the evidence is already presented on the internet in thousands of thick books and articles, and hundreds of lengthy video documentaries. It does not need to be cataloged here. The proof is in the pudding. This handbook was meant to address the big issues, not going into detail about the hundreds of ways the current system has been screwing us all; as few would take the time to read, and re-read aloud, recommend to others, or print anything lengthy. This summarization does need to be read aloud in public without allowing the system to hush or push us.

We need to ultimately unify around a new draft of a people's world constitution and listing of natural lifelong birth-rights and mutually persist in protecting those rights. We simply must do so soon; within a couple of years, by 2016, for our current livelihoods and our posterity, our children and grandchildren.

So let's get each other to all talk about how this corrupt system and their intelligence agencies over us is actually the most powerful mafia and terrorist organization there ever was and ever will be. Let's bust their cover and control over us first with our mouths. Let's talk about 9-11 having been a staged event by the system, and many other horrible events. Let's commonly identify who really played the largest hand in those events. Let's give protection for the speech of those victim's families whose emotional wounds have already healed after so many years, but now may be experiencing intellectual healing by seeking and speaking the truth concerning what really happened to their loved one(s). Let's talk about the many decades long list of government lies, over-taxation, over regulation, state-sponsored-terrorism and the mounting police-state militarism. Let's talk about the toxins put intentionally into our drinking water and the marketing of processed and genetically modified foods. Let's talk about the intentionally poisonous ingredients, such as mercury, in these so-called 'vaccines' especially the ones the likes of Bill Gates is pushing. Let's

compare 2013 to Hitler's ways. We have a self-proclaimed right of free speech, right? Or is it something just eloquently scribbled on an old piece of paper by the likes of Thomas Jefferson; with those rights now reduced to a here-and-there temporary privilege which depends on the topic?

Should talking about the various means of state of corruption and how it all pieces together still be a 'no-no' topic? Not if they are forcefully removed from power. Look at how the system has already planned to suppress free speech and questioning of the 'official story' around the 50th anniversary of the system's assassination and cover-up of America's last inspiring and people-empowering president, John F. Kennedy; as one case in point. So speak all of your minds! Do it now, then, and beyond...

It really does not matter what month or year it is that you are reading this, but these paragraphs and this PLANS 1.0 (People Legalize A New System!) handbook was first distributed on the internet in August 2013 -- about dozen years after the most controversial 9-11-2001 big attack against our previous world-views, ways of life, freedoms, and happiness.

System sponsored terror has shrouded our memories of what our lives used to be prior to this onslaught, with seemingly endless propaganda and talk of terrorism forced by the big media and between ourselves, and worse, much more real wasteful and bloodsoaked militarism all around the world; even periodically raiding neighborhood streets and homes inside America too.

Whether today if you think world history, as you are taught, is the full truth as presented by big media and establishment controlled history books, published by corrupt textbook companies, -or- as the staged events that all the evidence and facts eventually do point to - these actions taken by the 'system' (as we refer to it) have steered and accelerated our world into the level of fascism and black-suited new nazi police state tyranny that we all hear about and feel today. We are being more deeply surveilled/spied-upon/tracked, check-pointed, propagandized, raided, and pushed around in mass (slowly/incrementally more and more with time) by this era's class of money-groveling socio-fascists [that's what they are, technically!] - while the incremental big economic squeeze is being placed on virtually all of us more and more. Just look back again at your bills and bank account. It all has become the 'new normal' to you and your acquaintances. Sad/true.

But this corrupt system, the 'new world order' system; only represents the major control and intrigue of definitely less than 10 thousand people around this planet; much less than a 1/100th of percent. We, every man, woman, boy and girl, sum total over 7 billion people; more than 7000-to-one over each and every member of this corrupt and constantly deceiving authoritarian system. Can we replace this corrupted global oligarchy with a much better one? Yes, just as 2/3rds of the word "change" is hang. It is theoretically possible, we have the greatest cooperative strength to pull it off together, but only if we all collaborate and work together towards such a glorious goal.

Regarding the united states: There exists the original constitution and bill of rights of the united states. But definitely in some ways it has become antiquated. For example - we don't need to send local politicians to washington - we have the internet today; so politicians should be made to have weekly open meetings locally with the public. Therefore we need an even better form of collective self-government and a new constitution. For starters, just I, the invisible and anonymous terrified-about-the-state-of-the-system thinking but still tiny little human-being typist of this booklet recommend the "People's Universal Declaration of Freedom" one page statement posted on thousands of places on the internet since 2008; for a good starter seed text. It is included in this handbook; but maybe someone else can write something better or more inspiring. It states the same major purpose. We actually need to devalue, dis-empower, and singe the money of this privately owned monetary system – and replace all of it with a simplified, transparent, and fair public global monetary credit model; such as a 'dillar,' a digital dollar, or some perfect form of 'bit coin'.

And We the people of this World need to institute a much better, smaller, and highly limited form of government and policing force. We don't need intelligence agencies at all when everything becomes transparent to us and there are no longer black-ops or psy-ops to run and state secrets to protect. We also need to abolish aggressive invasive militarizes and employ those forces and armaments against threats coming in from outside the planet, such as future incoming asteroids; or perhaps future hostile alien life.

And now what many of us mutually feel, see, and know: that this system is killing us, needs to be relayed as well to all our neighbors; so they

can feel empowered to vocalize and be active about these concerns too. How else will this message get to them if you don't bring it to them? 1 person cannot message the whole world. But at anytime 1 can send to 10, and 10 can multiply to 100, and a 100 can lead to a 1000, etc. You can do it. Then when enough people unify, assemble, and stand up together, as it is our birthright to do so, goodness and sanity will defeat this pyramidal shaped system corruption and infection of evil elites.

Then people will simultaneously inherit the home and land they are currently living on; sin mortgage and tax. A good system doesn't need to own, threaten, or tax our land or homes - only a corrupt system depends on such bondage. This is a great new way of thinking! Then a new global bill of people's individual rights will be generally agreed upon as well. Then we will also farm and eat better, including system suppressed highly nutritious and delicious hemp seeds for one example. Then we will all be free and prosperous. Then an age of health, equality, abundance and innocence will emerge; and evil will be locked up for an entire era to come.

Perhaps first we will need to create ourselves a second internet, free and open yet with privacy. We can do it. We need to disobey the system with a collective force, and whoever or whatever supports tyranny - from the depths of oblivion to even the top of the spiritual world; primarily by instituting amongst ourselves a new fairly distributed, and limited, form of money. With new honest leadership and lots of ingenuity **We, without too much more unnecessary delay, need to take the power of paper and ink out of the murderously corrupt elite's and private banking system's hands.** Then we need punish their criminality by having armed forces round them up so they can be quickly put on trial. Those found guilty of crimes against humanity will be all sent to a large prison run by the next system which we invent and install; reclaiming their exorbitant wealth in the process, with ample rewards given to those who played a direct role in their capture. First targets should appropriately be the House of Rothschild and the Rockefeller dynasty; as during the past century they have profited most deeply in the blood of others with their countless covert financial schemes and crimes. Let's ask all of ourselves: Is there really a better idea?

Dear Unique Person Out There,

Attached is a 49-page document that should be quickly forwarded and posted to every major website in the world. It is entitled "PLANS – People Legalize A New System – Copy To Everyone.pdf". On page 2, it contains a 1-page summary of some of the largest grievances, we, the general public, have with the current system, with a focus on the many largescale criminal aspects of the united states government, that affects all of us.

People everywhere are pretty much the same, good hearted, but more and more we feel the current system, notably our governments, are not doing us as much of a service compared to telling us what to do and how to live under their wars and government oppression. Yes, we are all being spied upon by this out of control system. They want us to cower in fear. But we instead need to exercise our right of free speech, or we will lose that right, as we have lost our privacy. When we lose the right of free expression, then we will be reduced to sheep, next to be carted off to slaughter.

One thing governments should not be ever allowed to do, is to forbid people from speaking about their wishes for a new, better, replacement system of government. That is eloquently stated first in America's Declaration of Independence. But that is the last thing the entrenched corrupt parasites in power over us want us to be speaking of.

So even if you don't agree with each and every sentence stated in PLANS 1.0 – People Legal A New System, it is vital that we at least exercise our right of free speech through all of us, in parallel; to consider the message contained in the document. And for those who like humor, and most of us do, there are also two pages of unbelievable funny jokes included on page 15 & 16 about a big liar that we all know of.

If any government harasses anyone for posting this document on their website, we should all make a big deal about it, protect the poster, and push even harder to protect everyone's natural right of free speech. But again, they won't like it – because the attached document is eloquent, and even speaks of a new system where we all soon inherit the land and house that each and every one of our family's live in, with no more mortgages and taxes or threats from non-payment to weigh us down. There is a new way for us to learn about, and the time is now to make our world a much better and more secure place to give to our children.

CHANGE

WE NEEDED

2/3rds of Change is "hang".

Our Founding Fathers hanged traitors. We forgot how effective it was for the cause of freedom. We need to hang 2/3rds of todays controllers in public which is 66.6% and clip out the evil that infects us.

Pass this idea around!
Lets do it for posterity!

forced to BELIEVE in.

American culture today have been immersed in entertainment and perpetually distracted with sports. It has been discovered by the “truth movement” that most Americans have lost their moral compass and are so bamboozled with entertainment channels these days that they can hardly recognize or prioritize important information and have difficulty discerning what is fact from fiction. This is how the current system gets away with perpetual string of crimes. Communist agents call it 'demoralization' of a people. Perhaps better put for Americans, the average American is “*factose-intolerant*”.

So, as the following material covers very heavy topics....

first some easily digestible “humor”, over 200 one-liners...

Obama-nation: "National Socialism" (1939-1945 Germany); power in fewer hands has already before drastically TWICE PROVEN TO BE A TERRIBLE IDEA.

The prophetic "OBAMAGRAM" decoding is CLEAR AND MOST HIGHLY obvious.

Obama Can't Save You unless You prevent Obama from casting more deceptions; which started with his fake/forged Hawaiian birth certificate (see: obamacrimes.com). Otherwise, perhaps, the future is already foretold.

The first decoding literally states Obama ("Oh....bomb-us??") will at least appear to be taken out in a bomb blast.

The beast system is not loyal to anyone, only the beast system itself, even Obama.

"They", the global criminal aristocracy, will apparently have Obama ass-asinated.

If Obama is not seen live at ground zero just prior to the the detonation (Washington DC?)

his pseudo-demise could only be yet another ruse. [A large deep tunnel system exists under DC.

The white house has a hidden entrance to an underground tunnel network and secret facility.]

Why a nuke? The incredible decoding states: "A bomb eradicates prank!"

(Letters of "President Barack Obama"): and "Ape bomb! Stark radiance!"

"Stark Radiance" seems to imply nuclear. It appears one of the two decoded Obamagram scripts will be played out.

To help prevent future horror: hot photatocopy this, email, print booklets, even sell for a profit.

ABOUT THE fascist "NEW WORLD ORDER" BEAST SYSTEM; PUBLIC OPINION MEANS EVERYTHING.

Things are now getting worse - even more than under the former puppet scrub Bush Jr!. Total Darkness!

Action! : The major media **celebrity liars** WORLDWIDE need to be **arrested & incarcerated** until the trial, then quickly after them, the **world's criminal elite class for trial**. And **ASAP!**

The global elites have to be contained by the good forces within the various world militaries; a mutiny! Those helpful in their round-ups will receive full pensions funded from the gold, silver, real estate, etc. reclaimed for the people from the Rothschild's and other elites. The "6660" or so elites should be contained in a "floating capstone" prison island, where they can dominate themselves and we can watch via a new reality tv show, like "Lost", but more fun & real.

So QUIT ACCEPTING THE CORRUPT SYSTEM'S EUGENICS/MERCURY TAINTED VACCINATIONS, TOXIC FLUORIDE, NAKED BODY SCANNING, MASS MEDIA LIES, WARS, AND OTHER SOCIALIZED CONDITIONING! AWAKEN TODAY!

Discuss together and prevent the elite's ongoing bio-attack strategies! Do it for you and others!

Ultimately the criminal elites will help in deciding their own eternal judgment. So will you... Help by utilizing the internet to help create a mass awakening & e-mail this to friends! Say "No" to preemptive war with Iran and world war - and "Yes" to no fluoridation & naked body scans!

Arizona sheriff finds Obama presidential qualifications forged

07.03.2012

Pages: [1](#)[2](#)[3](#)[4](#)

Years before the 2008 election, Barack Obama was involved in efforts to amend the US Constitution to allow those who were born to parents who were not citizens to become President along with those born overseas. Those efforts have occurred several times in recent history, and all have failed. It must be intelligently asked why this was a concern at all for the then Senator.

There are two reasons for Obama's concern. The first lay in Article 2 section 1 of the constitution which [states](#): "No person except a natural born citizen, or a citizen of the United States, at the time of the adoption of this Constitution, shall be eligible to the office of President,".

Except for Barack Obama.

The second reason for Obama's concern lies in the Supreme Court of the United States case [Minor V. Happersett](#) (88 U.S. 162) 1875 which defines Natural Born Citizen:

"The Constitution does not, in words, say who shall be natural-born citizens. Resort must be had elsewhere to ascertain that. At common-law, with the nomenclature of which the framers of the Constitution were familiar, it was never doubted that all children born in a country of parents who were its citizens became themselves, upon their birth, citizens also. These were natives, or natural-born citizens, as distinguished from aliens or foreigners." Minor v. Happersett, 88 U.S. 162, 168.

This U.S. Supreme Court case decided that Virginia Minor, the plaintiff, could not use the 14th Amendment to

claim citizenship and the right to vote because she was a Natural Born Citizen, and therefore unable to lay claim to the statutory citizenship the 14th Amendment gave to former slaves, which included their right to vote. This is the only U.S. Supreme Court case in the history of the United States to clearly define what a Natural Born Citizen is. It has been cited in dozens of cases since.

This is an issue which cannot be brushed aside by Mr. Obama. His father, Barack Obama Sr. was a student from the British Commonwealth of Kenya, a British Citizen who never sought to become a US Citizen, and indeed was eventually forced to leave the country. Mr. Obama has only one parent who was an American Citizen. Obama clearly does not meet the requirements of Natural Born Citizen as defined by the Supreme Court in Minor v. Happersett.

The Founding Fathers, the men who wrote the Declaration of Independence and the Constitution, discussed these very reasons why no person of divided loyalties, divided nationalities, should ever have command of America's armed forces. Dozens of letters and many debates in the constitutional conventions recorded these concerns, always returning the "[Law of Nations](#)", Emerich De Vattel's encyclopedic record of the laws civilized nations had developed over two thousand years of which the founders were clearly aware of in their debates:

"The citizens are the members of the civil society; bound to this society by certain duties, and subject to its authority, they equally participate in its advantages. The natives, or natural-born citizens, are those born in the country, of parents who are citizens. As the society cannot exist and perpetuate itself otherwise than by the children of the citizens, those children naturally follow the condition of their fathers, and succeed to all their rights."

E. De Vattel 1758 Sec 212 Ch19

Vattel's definition has been accepted since the days the United States was still a motley collection of British Colonies. It has been accepted in no less than 3 Supreme Court Cases, has been accepted in testimony before the U.S. House of Representatives. It is by no means an original source; only recently dug out of dusty tomes in 2008. Indeed, this concept is enshrined in every Nation the world over. Every nation not only accepts, but has enshrined this concept: a person born to two parents who were citizens of that nation and born on its soil was a natural born citizen of that nation.

After his rousing 2004 speech at the Democrat National Convention, Barack Obama was considered a shoe-in for running for president in 2008, and indeed his campaign began that night in [Boston](#). Yet his citizenship was a serious obstacle to his ambitions, and the ambitions of the liberal progressive movement which supported him.

So the efforts to obfuscate Obama's citizenship issues began in earnest. The plan was deviously simple, make certain that people focused on his Hawaiian documents, and minimize the visibility of Minor V. Happersett and Citizenship to the public.

The State of Hawaii

The state of Hawaii's role in this cannot be neglected for several reasons. Hawaii has a couple of legal Achilles heels of its own.

It was well known at the time, that any person could register the birth of a child in the state on a late form with only the signature of a witness (Hawaii Department of Health no longer uses this form). This means of obtaining Hawaiian documents was used frequently by immigrants who needed assistance from the state

(such as welfare), and Hawaii needed the federal dollars registering those births brought to the state. Second, and perhaps most importantly, Federal laws with regard to Hawaii had been written to allow a baby receiving state documents to be declared a Citizen of the United States without being subject to the Jurisdiction of the United States:

[Sec. 305. \[8 U.S.C. 1405\]](#) Persons born in Hawaii:

A person born in Hawaii on or after August 12, 1898, and before April 30, 1900, is declared to be a citizen of the United States as of April 30, 1900. A person born in Hawaii on or after April 30, 1900, is a citizen of the United States at birth. A person who was a citizen of the Republic of Hawaii on August 12, 1898, is declared to be a citizen of the United States as of April 30, 1900.

Missing from this US Statute is the following which appears in the [14th Amendment](#):

"All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside."

This disparity created a legal loophole which is specific to Hawaii: A child born in Hawaii, regardless of whether or not they were born in the state and subject to the Jurisdiction of the United States, automatically gained US Citizenship. This is the only state in the United States where this condition existed. This is why Hawaii is so vitally important to Obama, and could explain why it is important enough to forge birth documents for. It is why Obama's birth is being alleged to have occurred there instead of somewhere like Washington State or elsewhere, and is so vitally important.

Obama, by being born in Hawaii, got automatic citizenship status in the United States without regard for whether the United States had jurisdiction over his

- [Print version](#)

citizenship. Otherwise, his citizenship would have legally followed his father's, British, as Barack himself admitted on his "Fight the Smears" website during the '08 campaign.

And it only took a witness signature to gain it. It is unknown how many children gained U.S. citizenship through this means. The real citizenship status of these individuals is similarly unknown, and now that it has been discovered that Barack Obama has put forth a forged Hawaiian Birth certificate, his own proof of birth in the state is subject to serious questions by law enforcement officials.

Months before the election of 2008 Barack Obama began deliberately directing public attention to his Hawaiian Records. The Obama campaign, before redirecting the site to "[Attack Watch](#)" maintained the "[Fight the Smears](#)" website which can still be found on archival websites. The Obama campaign posted the candidate's "short Form" birth certificate with the following information from FactCheck.com:

"When Barack Obama Jr. was born on Aug. 4, 1961, in Honolulu, Kenya was a British colony, still part of the United Kingdom's dwindling empire. As a Kenyan native, Barack Obama Sr. was a British subject whose citizenship status was governed by The British Nationality Act of 1948. That same act governed the status of Obama Sr.'s children.

Since Sen. Obama has neither renounced his U.S. citizenship nor sworn an oath of allegiance to Kenya, his Kenyan citizenship automatically expired on Aug. 4, 1982."

The campaign obviously wanted public attention directed at his birth documents in Hawaii.

The campaign itself created the entire birth certificate controversy, and acted to maintain and fan the flames of that controversy for several truly simple reasons. As long as the public was wondering about what being born under "the British Nationality Act of 1948" meant, and the birth certificate "birther" controversy in general, they were not looking into laws which would have legally prevented the senator from assuming the role of candidate and then President. Legal cases such as Minor V. Happersett.

This case was, and still is, of tremendous import. Had it been found during the campaign it would have prevented his candidacy, certainly preventing him from taking the oath of office in Jan 2009.

So a campaign to hide Minor V. Happersett was undertaken at the same time.

The controversy was dubbed "[JustiaGate](#)".

directors. Public.Resource.org is the source of Supreme Court materials in data form Justia.com receives for publication. Public.Resource.org is owned and run by Carl Malamud, and funded in part by the Center for American Progress once run by John Podesta, and funded by George Soros. This is a direct connection to the Soros Foundation, a major source of political donations to Barack Obama and the Democrat Party.

Justia erased "Minor v. Happersett" along with text quoted from the case out of its Supreme Court servers deliberately in an effort to minimize the ability of the public to find the case by searching for it, significantly reducing its apparent importance.

These two separate efforts, raising the profile of the Senator's birth certificate in as controversial a manner as possible, while minimizing the legal role of Minor v. Happersett succeeded. Barack Obama was able to illegally win the election, and illegally take office. It was stolen right in front of the American public.

The house of cards is about to come tumbling down around Barack Obama's ears as the momentum of evidence builds. Law enforcement has found his birth documents to be "highly suspect" as a forgery. His draft card has similarly been found by law enforcement as being "highly suspect" as a forgery. The smoke screen cover created by his birth certificate, hiding Minor v. Happersett in a shadow of false mockery, has been blown away. Leaving the Supreme Court case alone on the stage, glaringly exposing Barack Obama as an usurper, an unconstitutional President of the United States.

The American Press is deliberately hiding the evidence published on the internet about this defrauding of the American public and the deliberate evisceration of

the Constitution of the United States. It is hiding Barack Obama's Fraud as it has been revealed by a Sheriff in Arizona. The silence of the American press would be unbelievable if it weren't so blatantly obvious.

It is nearly as egregious as the audacity of Obama's fraud itself.

The reason the press did give this sheriff and his friends any special notice is because they are wingnuts and this sort of "birther" nonsense has been exposed for what it is: right wing fantasy. The so-called investigator for this very crazy sheriff it is a well known conspiracy enthusiast and his views on almost everything have been debunked. I find it amazing that a responsible journal like Pravda would endorse this truly crazy stuff.

Why should the main stream media concern themselves with such trivial manners as the President of the United States having a forced Birth

The Abysmal Fall of the once great United States of America, 1776-1913, rotting at its core since the private Federal Reserve bank takeover.
Will The People clean out the slime in enough time?

“Bilderberg is not some group of demonic world leaders sitting around a table staring into a crystal ball,” Estulin told WND. “In the U.S., a lot of people mistakenly believe there are secret societies, a very small group controlling the dynamics of the entire world, instead of understanding Bilderberg as a processes-, ideas- and themes-shaping organization.

“Bilderberg is not a bogeyman. But it is a powerful organization. It’s a medium for bringing together financial institutions – the largest, predatory institutions in the world – which acts in ways that are now the worst enemy of society.”

He said at the center of the campaign is the idea that the resources of the world belong not to the people, but to the minority who have power and influence.

“All these people want an empire. They don’t want the people of the world to develop, to prosper, to grow the population. They want us to work for them, where our children and our children’s children work for an elite group, the oligarchy. If people participate in the ideas shaping the world, if a nation is allowed to grow its own food, develop its own natural resources, be truly self-governing, it would end the Bilderbergers’ oligarchy.”

The meetings are private, invitation-only for about 150 individuals from the worlds of politics, business, finance, energy, media and nobility. No resolutions are voted on, no minutes are taken and no statements are issued.

Estulin has cited David Rockefeller’s own admission. Rockefeller, a Bilderberg member, wrote: “Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as ‘internationalists’ and of conspiring with others around the world to build a more integrated global political and economic structure – one world, if you will. If that’s the charge, I stand guilty, and I am proud of it.”

In 2009, Bilderberg Chairman Etienne Davignon boasted that the Euro single currency was a recommendation of the Bilderberg group.

What will U.S. warlords lead us into next?

By [Andrew Alexander](#)

PUBLISHED: 22:30 GMT, 29 May 2012 | **UPDATED:** 22:36 GMT, 29 May 2012

That powerful phrase ‘lions led by donkeys’ — the German view of British troops in World War I —

keeps springing to mind when studying Afghanistan.

We shall leave by the end of 2014, we are assured, having achieved nothing beyond helping to recruit countless numbers to the ranks of the Taliban. We shall leave the place with its own modernised armed forces, we are also assured — so much better fitted to fight a looming civil war.

The bigger question is why do we get involved in doomed American military expeditions — and get tarred with the same brush as part of the Western war on Islam, making Britain at large a target for terrorists? Iraq and Afghanistan both tell the same tale.

Conflict: We are told that we will leave Afghanistan by the end of 2014

Vietnam was a near thing in terms of backing the Americans.

Harold Wilson was inclined to make a helpful gesture in that doomed war, and was only stopped by his own backbenchers. The prospect of further involvement in American lost causes has been clearly stated by our chief donkey, Sir David Richards, head of the Defence Staff.

He argues that the defence budget should be organised so we can back up American policy — whatever that might be. In other words, we must continue 50 years of crawling along abjectly in the wake of Washington.

Leaving Afghanistan obviously does not appeal to Richards, since he predicted last year that Britain would have a presence in the country for the ‘next 30/40 years’. The idea that Afghanistan will happily settle for being treated like a colony or client state betrays sheer incomprehension.

Sir David Richards has argued that our defence budget should be organised so we can assist American policy

Hope that the Americans, badly bruised by the Middle East and before that by Vietnam, have learnt any lessons are hopelessly optimistic. Richards’ counterpart in Washington, General Martin Dempsey, has explained in an article in Foreign Affairs Magazine that the U.S. will now look to extend its role into the Far East.

At this rate the future looks no brighter than the past. Relations with Pakistan, as U.S. drones continue their deadly work in the country’s North-West border region, are deteriorating dangerously.

As President Obama launches his presidential campaign, we have to remember his lamentable record.

Monkeys Get Autism-like Reactions to MMR & Other Vaccines In University of Pittsburgh Vaccine Study

By [Catherine J. Frompovich](#) | April 29th, 2012 | Category: [Catherine Frompovich](#), [Top Stories](#) | [43 comments](#)

A University of Pittsburgh study showed vaccines altered the behavior in monkeys.

Someone did perform safety studies the U.S. Centers for Disease Control and Prevention (CDC) and the U.S. Food and Drug Administration (FDA) should have mandated be performed and vetted BEFORE numerous vaccines were released into the public sector for mass vaccinations.

Lead investigator Laura Hewitson, PhD, probably dropped a bombshell when she and her colleagues completed a macaque monkey (primates) study of the very same vaccines given to children during 1994-1999, i.e., the Measles-Mumps-Rubella (MMR) vaccine and several Thimerosal mercury-containing vaccines injected into children during that time frame when the autism spectrum disorder skyrocketed.

The results of that pilot study were published as a *Research Paper* in *Acta Neurobiological Experimentals* in 2010 and titled "Influence of pediatric vaccines on amygdala growth and opioid ligand binding in rhesus macaque infants: A pilot study." [1] Even though there was alleged controversy revolving around Hewitson's monkey studies, e.g., charges of conflicts of interest since she filed a claim with the vaccine court on behalf of her child, [2] the information generated needs to be revisited and duplicate studies need to be undertaken. Why haven't they? Is there too much influence from vaccine makers not to do them? Parents need to make demands on the U.S. Congress to require such safety studies on monkeys be duplicated immediately, plus suspend all mandates on vaccinations until the study results are in. Did Dr Hewitson become another professional *persona non-grata* because she may have been on the right track?

Congress needs to consider seriously the Hewitson, et al. report that stated:

"Vaccine-exposed and saline-injected control infants [monkeys] underwent MRI and PET imaging at approximately 4 and 6 months of age, representing two specific timeframes within the vaccination schedule. ...

"These results suggest that maturational changes in amygdala volume and the binding capacity of [¹¹C]DPN in the amygdala was significantly altered in infant macaques receiving the vaccine schedule." [1]

That alone should be the explicit reason for duplicating the monkey study with independent non-pharmaceutical industry conflict of interest scientists.

In this author's opinion, no one has bigger conflicts of interest in study outcomes than the pharmaceutical makers who routinely perform them. Those are the very studies that should be subject to the same criticism as Dr Hewitson's. Why aren't they? Good question?

For those keeping track data, ASD went from 1 in 5,000 in the 1990s to the recently acknowledged [March 2012] figures of 1 in 88 along with 1 in 6 children in the USA having developmental disabilities. These stats were generated for data in the years 2006 to 2008. [3] There's a 4 to 6 year lag time. Could ASD be 1 in 50 by now at the rate it is escalating?, especially since there's a heavier push on mandates for vaccinations.

According to the Hewitson, et al. research study, biological changes and altered behaviors **did** occur in vaccinated monkeys, which resembled and were similar to those observed in ASD diagnosed children. However, there were no such symptoms showing or present in unvaccinated monkeys. *Don't you just gotta love those little monkeys!* Guess what else the ASD monkeys came up with, and Dr Wakefield is gonna like this one: Gastrointestinal problems manifested in vaccinated macaques such as "*many significant differences in the GI tissue gene expression profiles between vaccinated and unvaccinated animals.*" [3] It's been a deeply debated topic within medicine that vaccinated children who contract ASD also have GI tract issues. Personally, I gotta wonder how the *British Medical Journal* is going to deal with encrusted dried egg on its face when duplicate studies confirm

the Hewitson monkey results. Perhaps the infamous *BMJ* retraction of the Wakefield article and Doctor's professional evisceration, commonly referred to as the "Wakefield Syndrome," euphemistically speaking is medicine protecting its vested interests.

Those little monkeys, however, came up with some other significant information that led former National Institutes of Health director Dr Bernadine Healy to voice some *bon mots* like:

"I think public health officials have been too quick to dismiss the hypothesis as 'irrational,' without sufficient studies of causation...without studying the population that got sick."

"I have not seen major studies that focus on 300 kids who got autistic symptoms within a period of a few weeks of the vaccines." [4]

Perhaps the most on-point quote regarding the monkey study came from Scott Bono, the National Autism Association chairman, i.e., something those who are accused of being against vaccinations have been questioning and demanding:

"To date, the CDC has conducted no safety testing on the possible harmful effects of simultaneously administering multiple vaccines to infants, and has steadfastly refused to state a preference for mercury-free vaccines to be given to children and pregnant women. It's time for HHS and Congress to step in and take vaccine safety away from the CDC." [4]

This author's retort to Mr. Bono's remark is that vaccine safety should be taken away from the Food and Drug Administration too! I'd like to remind readers that Congress is more at fault than anyone in this vaccine debacle. Congress has oversight and it has dropped the ball big time, probably due to all the lobbyists from Big Pharma who prowl the halls of Congress with deep pockets and nice expensive luncheon dates.

One of the issues I feel Congress has been remiss about is that it has not demanded safety studies and interaction of multiple vaccines studies BEFORE being placed into the marketplace. According to common and accepted knowledge, no such safety research or studies have been done on the current childhood vaccination regimen, except until the Hewitson 'monkey business' that was funded by independent, private money, for which everyone, I think, should be eternally grateful. However, the study had to be shot down since it was not favorable to vaccine makers. Why isn't someone else duplicating the monkey studies? Are they afraid of becoming another victim of science? Why, when isn't that what medical science should be all about: investigating problems and theories, publishing results, and interacting with other sciences, NOT excommunication as if they were breaking some religious dogma. Or, do they, in some vested interests minds?

Current Vaccine Safety Activism in Congress

Now here is something every *VacTruth* reader should consider seriously: Supporting Congressman Dan Burton's (R-5-IN) request to the House Committee on Oversight and Government Reform Chairman Darrell Issa to hold hearings on the Vaccination Injury Compensation Program. Back on January 12, 2011, this writer filed a Whistleblower's Complaint on Vaccines with Chairman Issa and has yet to receive an acknowledgement of that filing.

Isn't about time to revisit, update, and do more extensive research into the Autism Spectrum Disorder *pandemic* that is spreading globally?

April 24, 2012 Congressman Burton posted a letter to *The Hill's Congress Blog* titled, "It is time to re-engage on the autism epidemic." He also wants to pass legislation to force the President to

address the ASD epidemic and its impact on Americans. Burton is committed to helping millions of children, adults, and families afflicted with ASD. We need to support Congressman Burton ASAP and here's how:

1. **Contact the Canary Party** to support their Facebook pages to hold Congressional hearings and a White House Conference on Autism. Contact News@CanaryParty.org.
2. **Contact Congressman Darrell Issa at the Oversight and Government Reform Committee** at 2157 Rayburn House Office Bldg., Washington, DC 20515 or **preferably telephone your request for Autism Investigation Hearings to 202-225-5074.**

For those who want to know about this information, the National Autism Association (www.nationalautism.org) will be holding a rally for toxin-free immunizations in Washington, DC on June 4, 2012, titled "Green Our Vaccines," which this author thinks is an oxymoron. How can you green vaccines when every ingredient is toxic? Just check out the CDC's PinkBook ***Vaccine Excipient & Media Summary*** at <http://www.cdc.gov/vaccines/pubs/pinkbook/downloads/appendices/b/excipient-table-2.pdf>.

Before I leave this article, I would like *VacTruth* readers to know that my colleague who also writes for *VacTruth*, Laraine C Abbey, RN (retired) and I co-edited a 150 page monograph in January 2011 titled ***Vaccines & Vaccinations: The Need for Congressional Investigation***, which you can read in full on *VacTruth* at <http://vactruth.com/vaccines-vaccinations-the-need-for-congressional-investigation/>.

Apparently others have read it and agree.

Congressman Burton, Nurse Abbey and I congratulate you on taking the stand you have, and we offer you our resources in obtaining a Congressional investigation.

President Obama, Nurse Abbey and I respectfully request a White House conference on Autism, and we offer you our resources to effectuate a *non-biased* conference.

VacTruth readers, I charge you with spreading this information and article as far and wide as you possibly can so that we can get an investigation that ought to be open, not biased, and the scientific facts—nothing but the facts, like those the monkeys finally had to prove. It was not monkey business; it's the real deal.

An illusion it will be, so large, so vast, it will escape perception by most. Those who will see it will be painted with a wide brush by the media and thought of as insane. We are history's actors! We will act out and maintain separate fronts to prevent them from seeing the connection between us.

We will behave as if we are not participating in this agenda to enslave the populations overall, to keep the illusion alive.

Our goal will be accomplished slowly and incrementally one step at a time so as to never bring suspicion upon our selves.

We will work together always and will remain bound by greed, blood, freemasonry, dark oaths, brotherhood, and secrecy.

Death will come to those and their family who betray the order.

We will keep the population's lifespan short and their minds weak; pretending to do the opposite and bring them to war.

We will use our knowledge of psychology, science, and technology in subtle ways so they will never grasp what has happening to them over the decades.

We will use soft metals, aging accelerators and sedatives in food and water; also in the air.

They will be blanketed by poisons and toxins everywhere they go. Yes, for the sake of the plan, we will also breath the toxins but we should avoid to drink their fluoridated tap water.

We will promise to search for cures, but we won't cure them; only chemically treating their conditions, feeding them poisons.

The poisons will be absorbed through their skin and mouths; they will destroy their minds and reproductive systems.

From all this, their children will be born damaged, and we will conceal this information.

We will approve these industrial chemicals as safe. The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear.

We must be ingenious in dispensing the poisons for they can see far.

We will teach them that the poisons are good, with fun images and musical tones.

We won't protect them, but they will always look up to us for answers. We will enlist them to push our poisons.

They will see the toxins being used in film and will grow accustomed to them and will never know their true effect. They won't be able to escape from them at the grocery store.

When they give birth we will inject poisons into the blood of their children and convince them it's for their help.

**BABY
SHOTS**

We will start early on, when their minds are young, we will target their children with what children love most, sweet things.

When their teeth decay we will fill them with mercury and other metals that will damage their minds and steal their future.

When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.

We will render them docile and weak before us by our power.
They will grow depressed, slow and obese, and when they come to us for help, we will give them more poison.

We will focus their attention toward money and material goods so they may never connect with their inner self.

We will distract them with fornication, external pleasures and games so they may never be united and strong.

Their minds will belong to us and they will do as we say.

If they refuse we shall find ways to implement mind-altering technology into their lives.

We will use fear as our weapon.

We will establish their governments and establish virtual opposites within.

We will act on and own both sides.

**Look... More Fools that
think there is a difference
between Democrats and
Republicans.**

We will always hide our objective but carry out our plan.

They will perform the labor for us and we shall prosper from their toil.

Our families will seldom mix with theirs.

Our bloodlines must be pure, we must strive to remain obedient to ourselves.

We will make them kill each other when it suits us.

We will keep them separated from the freedom and unity by dogma and religion.

We will control all aspects of their lives and tell them what to think and how.

We will guide them kindly and gently letting them think they are guiding themselves.

We will foment animosity between them through our factions.

When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.

We will make them rip each other's hearts apart and kill their own children.

We will accomplish this by using hate as our ally, anger as our friend.

The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers.

They will be busy killing each other.

They will bathe in their own blood and kill their neighbors for as long as we see fit.

We will benefit greatly from this, for they will not see us, for they cannot see us.

We will continue to prosper from their wars and their deaths.

We shall repeat this over and over until our ultimate goal is accomplished.

We will continue to make them live in fear and anger though images and sounds.

We will use all the tools we have to accomplish this including state-sponsored terror that we orchestrate before their eyes.

The tools will be provided by their labor.

We will make them hate themselves and their neighbors.

They must always think they are not equal.

Step by step, hour by hour, drop by drop we will advance our goal.

We will take over their land, resources and wealth to exercise total control over over taxation and imprison all of them.

We will deceive them into accepting laws that will steal the little freedom they will have.

We will establish a money system that will imprison them forever, keeping them and their children in debt.

When they shall band together, we shall accuse them of crimes and present a different story to the world for we shall own all the media.

We will use our media to control the flow of information and their sentiment in our favor.

There are so many useful idiots willing to abuse their fellows for their paychecks. We will empty them. They will enjoy their petty power over others not uniforms.

When they shall rise up against us we will crush them like insects, for they are less than that as they are a bigger potential threat to us.

The experts agree ...

			
Hitler	Castro	Qaddafi	Stalin
			
Idi Amin	Mao Tse-tung 毛澤東	Pol Pot	Kim Jong-il 金正日

Gun control works!

They will be helpless to do anything for they will have no weapons.

We will recruit some of their own to carry out our plans.

The recruits will be called "initiates" and will be indoctrinated to believe false rites of passage to higher realms.

Members of these groups will think they are with us.

The truth will be hidden in their face, so close they will not be able to focus on it until its too late.

Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves.

When all is in place, the reality we will have created for them will own them.

This reality will be their prison.

They will proudly live in self-delusion.

When our goal of global governance is accomplished a new era of our dominance will begin.

Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.

But if they ever find out we cultured them in who they are and that they actually are equal, our control of them shall perish.

David Rockefeller.

THIS THEY MUST NEVER KNOW.

If they ever find out that together they can vanquish us, they might educate their children quickly and take action.

They must never, ever find out all that we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen.

Our actions will have revealed who we are and they will hunt us down and hang us one by one or all together and take our fortunes.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.

This covenant is sealed by our heritage and our blood.

We must never let think how good they could have it if we weren't preying on them all the time! We must never give them our secret levitation technologies, inehaustible free energy secrets, and life extension discoveries! Kill all who attempt to leak our many secrets! The must NEVER know and never have these powers in their own hands! NEVER! They must especially not learn how to prevent or cure cancer! They would be that much stronger! Instead we must maintain the many illusions and control we have cast upon them worldwide!

Here is just one leaked photo of one elite gold depot. This one is supposedly under London.

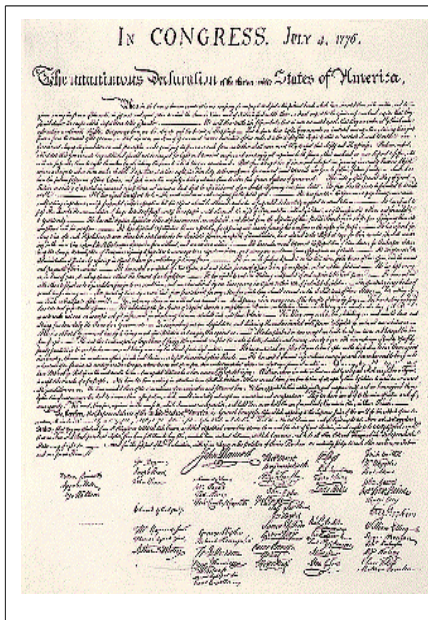

The elite think they 'own' and control most of the gold and other precious metal bullion. Yes the bulk of it was stolen through the elite's corrupt money printing and financial scams.

Armed forces:

Each successful reclamation operation of elite gold should reward you personally for your risk and effort, so each gold reclamation soldier should receive either 3, 2 or 1 bars of gold as a gifted bounty from the world's people.

The majority of the reclaimed gold (at least 2/3rd of all reclaimed bars) should be organized and guarded and held to fund the new benevolent system... funding new public projects; helping to elevate the quality of life of the masses of the world's underprivileged.

The Declaration of Independence

IN CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united States of America

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing

invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.--Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.

He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers.

He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harrass our people, and eat out their substance.

He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures.

He has affected to render the Military independent of and superior to the Civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:

For Quartering large bodies of armed troops among us:

For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attentions to our Brittish brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

We The People for
the Establishment of
The Independent States of America, I.S.A

This document can be found online using keyword: “GrowFreedom”

We The People can make a dramatically positive difference together. We need a common theme. We can all live in a better and happier world. We need to do something big to mark a real change, hopefully prior to financial collapse and hyper-inflation of the US dollar in the Fall of this year 2012.

In the year 2012, we are United as 1939 Germany: one entire country, one currency, one financed puppet commander, and many wars. We are no longer 50 independent states. We are now much like the “unsinkable” Titanic, crashing into icebergs and taking on more and more water (debt). Our country has been sinking; slowly and listing dramatically. The elite class, who have schemed collectively as one mind, wants another world war for the poor to suffer and die in. Are we just going to take orders, get suited up as with one uniform, to kill more? Is it brave to bomb other people? Is there a more peaceful way to be?

Yet the seemingly forgotten 10th amendment to the Constitution grants each of our 50 states independence from central control. But the out of control central government is now creeping into our own homes. It started long ago with cancer causing fluoride waste-product from the aluminum industry put into more of our drinking water. Are we each free anymore? Have we now just become little slaves; Are we meek or really are we brave? Are we just the home of the slave?

Together we can remove the old corrupt global establishment that en-debts and controls the United States of America. We can definitely restore sanity, peace, balance, prosperity, & all beneficial human freedoms.

All we have to do to create a solid foundation for real positive change (not chump change) is agree to do one thing together, or at least most of us. That is, We wish to establish a new government by and for We The People in the eyes of Creation. We need immediate volunteers. The best chance of this is sharing this idea everywhere. Let's Establish of the “**Independent States of America**” or **I.S.A**. Simply don't say and write U anymore, instead say and write I; as in “I can make a difference.”

You can be the “I” in I.S.A.; a slight change of wording, but a big, real and tangible difference. We can establish a benevolent system; perhaps one that provides property to new citizens, when they turn 18.

Together, We can overcome a lying out-of-control parasitic criminally corrupt government. If every soldier joins us, then we don't even need to get our guns out to expunge today's class of corrupted politicians, in order to get them completely out of the way. Not centralized power, but 50 good short-term governors for the 50 independent states, elected by the people of each state. 50 currencies and 50 constitutions, for the protection of minority rights everywhere; as defined by the full voting electorate of each of the 50 states.

The USA can easily be made into The ISA. No more national war mongering state Offenses, just a strong set of 50 Independent State “Defenses”! A beneficial system; perhaps one that provides a home for every new family.

“I” agree to the establishment of the Independent States of America, in order to fully replace the old-establishment of elite corporate controlled, horribly corrupted, war mongering centralized power of Washington DC; we declare 50 states.

Just get two others to sign before framing your statement. It is the duty of every free and independent person to promote freedom and pass around many copies. If this quickly becomes a fad; We will convene for real progress. There is no web site behind this; nor any particular people. It is free to say “Yes!”.

Universal People's Statement of Freedom

(Maximum Freedom or Fascist Slavery; it's each individual's decision. *Public opinion means everything.*)

Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement versus the spirit of liberty. When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty. The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people. The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all.

The laws of a Republic should be written clearly in the form of a constitution. However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands. More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including 9-11-2001, the organization widely known as the "United States Government" has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt international banking, war-mongering, so-called "freemasonic", "illuminati" or "new world order", interests. *Therefore* the "United States Government" has severely turned away from serving its sacred cause of freedom!

Therefore the "United States Government" has failed and is de-facto illegitimate as of the time of the announcement of this declaration at the start of the new people's convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world's people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects. All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This progressive change of government should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny!

As we acknowledge this world-wide published declaration in multitudes, we pledge allegiance to each other. We are firm in our disassociation from the previous "United States Government" or any corrupt power. In unison We proclaim to disallow that organization to silence us, to control the mass media or the internet, to suppress us, to spray chemicals upon or conduct any experiments on us, to detain us, to imprison us, to terrorize nor genocide us, to tax us, to bill us, to create dollars or borrow credit, nor counterfeit paper money, to legislate for us nor to adjudicate any proceedings, to direct our armed forces, to make war, or make agreements in our name, nationally or internationally. We are fully aware of our Creation-given rights; **including dissent.**

Addendum: Initial action list for the people's convention (recommended date: **July 5th, 2011**; location: **St. Louis, MO**)

- * Withdrawing our businesses and franchises from federal or state-wide taxation of the "United States Government" and its equally corrupt *mother companies, the United Nations, International Monetary Fund, and World Bank.*
- * Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to: *pay off all national debts, redistribute wealth fairly, fund the new government, and reinvigorate the economy.*
- * Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a *large, and voted-upon, national forest. A new capitol is essential to mark the change in thinking.*
- * Close and refurbish Washington DC, converting the former capitol into a city -wide orphanage and school campus for the nation's *underprivileged children; dedicated in honor of patriots who lived bravely before us without shame.*
- * Establish a new passport identification, numbered as chronologically signed, and imprinted inside a new & improved Bill of Rights - to be made *available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. (All inmates individually reviewed for possible release.)*
- * No more will we allow homeless/helpless to be picked up, medically experimented upon, or murdered. Every destitute person should be given an opportunity by the new system to construct a dwelling and share in a community atmosphere.
- * An end to the concept of "foreclosures". No more will the system be able to profit by conspiring to set market conditions so that people are unable to afford their family homes. Each house now belongs to the family, not to a bank.
- * Project Fresh Start – **Organic Home Gardening Incentive Program**, using a portion of elite reclaimed wealth, to finally solve world hunger. We should each also be motivated to erect personal greenhouses and maintain private gardens year-round. ~~~

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into despotisms. - Aristotle

If the world knew how to use freedom without abusing it, tyranny would not exist. - Tehyi Hsieh

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. - Sir Joseph Stamp, former president of the Bank of England

Yes, we did produce a near perfect Republic. But will they keep it, or will they, in the enjoyment of plenty, lose the memory of freedom? Material abundance without character is the surest way to destruction. - **Thomas Jefferson** ~~~ To me the sole hope of human salvation lies in teaching. - **George Bernard Shaw** ~~~ **The empires of the future are the empires of the mind.** - **Winston Churchill** ~ "I have unwittingly destroyed my country." - **Woodrow Wilson** {After signing the Federal Reserve Act in 1913} ~~~ The basic idea behind teaching is to teach people what they need to know. - **Carl Rogers** ~~~ **Awaken people's curiosity. It is enough to open minds, do not overload them. Put there just a spark.** - **Anatole France** ~~~ Education...beyond all other devices of human origin, is a great equalizer of conditions of men -- the balance wheel of the social machinery... It does better than to disarm the poor of their hostility toward the rich; it prevents being poor. - **Horace Mann** ~~~ **There is no education like adversity.** - **Benjamin Disraeli** ~~~ It is the supreme art of the teacher to awaken joy [life, liberty, happiness...] in creative expression and knowledge. - **Albert Einstein** ~~~ **We think of the effective teachers we have had over the years with a sense of recognition, but those who have touched our humanity we remember with a deep sense of gratitude.** - **Anonymous student**

\$\$\$ We need to replace the self-destructive US dollar, now propped up as the world's reserve base currency. The current elite class have ideas for that already: the Amero, The Globo, the SDR, and the Bancor. However, we need to incarcerate the elite and reclaim the wealth they have stolen from the world through their big currency schemes of the past. A new world reserve currency would need a new name & new publicly transparent oversight and frequent audits by the people of the world. Elected boards should be established, and no board member should at any time profit excessively from their elected duty. Here is an idea for a name of a new global currency, the Dillar. For two reasons, the next currency will have a digital overlay to guard against counterfeiting, yet retaining privacy of use, so a digital dollar could be shortened to the Dillar. Also, since, We, the people of the world, are currently in a pickle, and the Dill is a name of a pickle, for humor's sake, the "Dillar" to replace the "Dollar" works too and would be the easiest transition. A fresh start for example would be this simple rule: everyone who had turned 18 years old, or does on their birthday, will receive D100,000 Dillars to start their new life and career. That would have the effect of distributing the wealth of the world evenly and fairly. They could choose to invest it in themselves via education, or into stocks in a new market, or into their own business, or assets such as their own house, etc. \$\$\$

2. I will treat others with dignity and respect and expect others to do the same.
3. I will honor my country and my fellow soldiers; those who are not traitors to the Bill of Rights & Constitution.
4. I am proud of my country & its flag. I wish to look back and say that I am proud to have served my fellow citizens.
5. Lastly, no matter what the situation I am in, I will never do anything for pleasure, profit, or personal safety which would disgrace my country, my uniform, my unit, my high school class, and the people of my country.

P.L.A.N.S. 1.0 (People Legalize A New System! One Point Zero; eloquent true hope for our individual survival during this time of new world fascism)

To solve our biggest problems, we, including yourself, the people of this generation of the world all around us, most seriously need to ditch the era-old overly-complicated privately-owned elitist-controlled banking complex; removing the immense power of their leveraged wealth from the elites and replacing the to-be former system with a simple, transparent, and fair public monetary credit model. This message needs to be translated and transmitted expeditiously to every person under the influence of banker and establishment corruption around the whole world, and that signifies everyone.

Getting to the details... The current system has been and still is currently not only more and more robbing you of much of your time and future prosperity, it is killing you; either slowly or quickly; subtly or suddenly. Celebrity examples such as Oprah or even Tom Cruise choose not to tell you about the problem as their group discretion is a large part of the system's deception against you; but they know, and they know you most probably don't understand/realize/profit-from it. Such overly wealthy people have joined with the corrupted system; with the elite who run it. Such insiders are even willing to inhale the toxic chemtrail fall-out themselves for the sake of the system. Surely you have heard at least rumors about the massive atmospheric "chemtrail" spraying program that has been going on since the mid 1990's. Billions of tons of toxins already sprayed into the air above our heads without our knowledge or consent. There are dozens of well-researched documentaries about the 'chemtrail' global spraying program available for download so you may know more about it.

And if you have sons and daughters, this system has also been intentionally slowly soft-killing your children in other ways, and for profit, at an even increased rate of late. And it is extremely late in the game already. General life expectancy has been dropping. Illness in all its forms has been skyrocketing in babies through the aged. You may know this to be true as we are all witnessing it in friends, family, and neighbors: from asthma to cancers a-z back around to alzheimers, all rising off the top of previous charts.

Therefore "big-pharma", this current establishment's medical model, and Obamacare also need to be taken out of power then replaced with a less costly and much more nature-based health public and private set of services. It depends on your environment and general individual luck, but the parasitic system gone bad has been robbing you for profit of years of your lives, and of course an otherwise much better state of happiness. You ask, "But that is the way it pretty much always has been { we were born into it }. What can we really do about it?" This conversation has become common.

First we have to talk openly about all these matters; spoken from us -to- the remaining majority of system-farmed trendy turkey-like persons and similar misguided sheeplike and apathetic problematic persons who just go along with the current system (because that is all they know and care to think about); amongst all of ourselves, everywhere. As it has been generally said, we must 'awaken' the rest of us to this extent of reality and convince them to be a part of a much more sane and better replacement system, on a global scale; and force the hands of our murderously corrupt controllers world-wide and their minions, into handcuffs and then into a public court and, if found guilty of such crimes, into incarceration.

Going forward, every man, woman, boy and girl speckling the world – must not feel scared or bullied by establishment controlled doctors, lawyers, politicians, corporations (yes, even our employers), police and military, including also parroting establishment educators who will not stop teaching established lies to our children in schools in support of the fascist system ; but instead feel free to be free and talk about the vitally important current issues brought up in this electronic or we-the-people-printed handbook,

The only way to right our global condition, and live healthier and longer and happier, is that We must first think and speak and then, eventually but as soon as possible, rise and stand up against the current rich class of socio-fascistic authoritarians forcing their deceptions, privately managed credit system, medical tyranny, and other methods of abusive control down the pyramid of wealth/power onto us. We must publically assemble into ever greater numbers. We must then seize and utilize their wealth in the creation of a new system, fully disabling them from power.

This booklet also contains dozens of good ideas to help with an overall solution to truly make for a better world for us and our lineages; but essentially having an open-mind to the historical problems, as fact-finding neo-historians uncover and detail for us, and also having an open mind for solutions - is necessary. So let's not be distracted by these lying politicians and controlled system media mouthpieces and the system's endless streams of mind-numbing entertainment - and let's publically talk about it all! All the evidence is already presented on the internet in thousands of thick books and articles, and hundreds of lengthy video documentaries. It does not need to be cataloged here. The proof is in the pudding. This handbook was meant to address the big issues, not going into detail about the hundreds of ways the current system has been screwing us all; as few would take the time to read, and re-read aloud, recommend to others, or print anything lengthy. This summarization does need to be read aloud in public without allowing the system to hush or push us.

We need to ultimately unify around a new draft of a people's world constitution and listing of natural lifelong birth-rights and mutually persist in protecting those rights. We simply must do so soon; within a couple of years, by 2016, for our current livelihoods and our posterity, our children and grandchildren.

So let's get each other to all talk about how this corrupt system and their intelligence agencies over us is actually the most powerful mafia and terrorist organization there ever was and ever will be. Let's bust their cover and control over us first with our mouths. Let's talk about 9-11 having been a staged event by the system, and many other horrible events. Let's commonly identify who really played the largest hand in those events. Let's give protection for the speech of those victim's families whose emotional wounds have already healed after so many years, but now may be experiencing intellectual healing by seeking and speaking the truth concerning what really happened to their loved one(s). Let's talk about the many decades long list of government lies, over-taxation, over regulation, state-sponsored-terrorism and the mounting police-state militarism. Let's talk about the toxins put intentionally into our drinking water and the marketing of processed and genetically modified foods. Let's talk about the intentionally poisonous ingredients, such as mercury, in these so-called 'vaccines' especially the ones the likes of Bill Gates is pushing. Let's

compare 2013 to Hitler's ways. We have a self-proclaimed right of free speech, right? Or is it something just eloquently scribbled on an old piece of paper by the likes of Thomas Jefferson; with those rights now reduced to a here-and-there temporary privilege which depends on the topic?

Should talking about the various means of state of corruption and how it all pieces together still be a 'no-no' topic? Not if they are forcefully removed from power. Look at how the system has already planned to suppress free speech and questioning of the 'official story' around the 50th anniversary of the system's assassination and cover-up of America's last inspiring and people-empowering president, John F. Kennedy; as one case in point. So speak all of your minds! Do it now, then, and beyond...

It really does not matter what month or year it is that you are reading this, but these paragraphs and this PLANS 1.0 (People Legalize A New System!) handbook was first distributed on the internet in August 2013 -- about dozen years after the most controversial 9-11-2001 big attack against our previous world-views, ways of life, freedoms, and happiness.

System sponsored terror has shrouded our memories of what our lives used to be prior to this onslaught, with seemingly endless propaganda and talk of terrorism forced by the big media and between ourselves, and worse, much more real wasteful and bloodsoaked militarism all around the world; even periodically raiding neighborhood streets and homes inside America too.

Whether today if you think world history, as you are taught, is the full truth as presented by big media and establishment controlled history books, published by corrupt textbook companies, -or- as the staged events that all the evidence and facts eventually do point to - these actions taken by the 'system' (as we refer to it) have steered and accelerated our world into the level of fascism and black-suited new nazi police state tyranny that we all hear about and feel today. We are being more deeply surveilled/spied-upon/tracked, check-pointed, propagandized, raided, and pushed around in mass (slowly/incrementally more and more with time) by this era's class of money-groveling socio-fascists [that's what they are, technically!] - while the incremental big economic squeeze is being placed on virtually all of us more and more. Just look back again at your bills and bank account. It all has become the 'new normal' to you and your acquaintances. Sad/true.

But this corrupt system, the 'new world order' system; only represents the major control and intrigue of definitely less than 10 thousand people around this planet; much less than a 1/100th of percent. We, every man, woman, boy and girl, sum total over 7 billion people; more than 7000-to-one over each and every member of this corrupt and constantly deceiving authoritarian system. Can we replace this corrupted global oligarchy with a much better one? Yes, just as 2/3rds of the word "change" is hang. It is theoretically possible, we have the greatest cooperative strength to pull it off together, but only if we all collaborate and work together towards such a glorious goal.

Regarding the united states: There exists the original constitution and bill of rights of the united states. But definitely in some ways it has become antiquated. For example - we don't need to send local politicians to washington - we have the internet today; so politicians should be made to have weekly open meetings locally with the public. Therefore we need an even better form of collective self-government and a new constitution. For starters, just I, the invisible and anonymous terrified-about-the-state-of-the-system thinking but still tiny little human-being typist of this booklet recommend the "People's Universal Declaration of Freedom" one page statement posted on thousands of places on the internet since 2008; for a good starter seed text. It is included in this handbook; but maybe someone else can write something better or more inspiring. It states the same major purpose. We actually need to devalue, dis-empower, and singe the money of this privately owned monetary system – and replace all of it with a simplified, transparent, and fair public global monetary credit model; such as a 'dillar,' a digital dollar, or some perfect form of 'bit coin'.

And We the people of this World need to institute a much better, smaller, and highly limited form of government and policing force. We don't need intelligence agencies at all when everything becomes transparent to us and there are no longer black-ops or psy-ops to run and state secrets to protect. We also need to abolish aggressive invasive militarizes and employ those forces and armaments against threats coming in from outside the planet, such as future incoming asteroids; or perhaps future hostile alien life.

And now what many of us mutually feel, see, and know: that this system is killing us, needs to be relayed as well to all our neighbors; so they

can feel empowered to vocalize and be active about these concerns too. How else will this message get to them if you don't bring it to them? 1 person cannot message the whole world. But at anytime 1 can send to 10, and 10 can multiply to 100, and a 100 can lead to a 1000, etc. You can do it. Then when enough people unify, assemble, and stand up together, as it is our birthright to do so, goodness and sanity will defeat this pyramidal shaped system corruption and infection of evil elites.

Then people will simultaneously inherit the home and land they are currently living on; sin mortgage and tax. A good system doesn't need to own, threaten, or tax our land or homes - only a corrupt system depends on such bondage. This is a great new way of thinking! Then a new global bill of people's individual rights will be generally agreed upon as well. Then we will also farm and eat better, including system suppressed highly nutritious and delicious hemp seeds for one example. Then we will all be free and prosperous. Then an age of health, equality, abundance and innocence will emerge; and evil will be locked up for an entire era to come.

Perhaps first we will need to create ourselves a second internet, free and open yet with privacy. We can do it. We need to disobey the system with a collective force, and whoever or whatever supports tyranny - from the depths of oblivion to even the top of the spiritual world; primarily by instituting amongst ourselves a new fairly distributed, and limited, form of money. With new honest leadership and lots of ingenuity **We, without too much more unnecessary delay, need to take the power of paper and ink out of the murderously corrupt elite's and private banking system's hands.** Then we need punish their criminality by having armed forces round them up so they can be quickly put on trial. Those found guilty of crimes against humanity will be all sent to a large prison run by the next system which we invent and install; reclaiming their exorbitant wealth in the process, with ample rewards given to those who played a direct role in their capture. First targets should appropriately be the House of Rothschild and the Rockefeller dynasty; as during the past century they have profited most deeply in the blood of others with their countless covert financial schemes and crimes. Let's ask all of ourselves: Is there really a better idea?

MAKE COPIES!
FOR FRIENDS!

What do you want the coming "world government" to be like? Governments, controlled mostly by a global finance aristocracy, have killed more than 250 million so far already.

"THE MEMORY

2012' S
WORLD ORDER
FASCISM AND
AGENDA 21"

Share this booklet out like you would share slices with others if your pizza was endless.

In fact, once the criminal system is reformatted we can all organize a big pizza party on a new holiday. So consider this your invitation to join with the global pizza party., that is if we can make it happen.

"Agenda 21", as it is known, is not only a reduction of your country's sovereignty but also your sovereignty over your own body and basic natural rights, and also robs your authority over your children's body's and mind's. It is a world government plan to manage and take over your lives like a zoo takes over animals lives. Please research it.

The People of the world are waking up to the fact that the existing "system" has been and is still being managed behind scenes of governments and the media by a global criminal generational mafia of about 5-7 thousand rich and powerful 'elites'.

We The People all around need to become the media. We cannot trust the corporate propaganda engines who report to these 'elites'.

We don't need to worry about being tracked and traced for delivering and receiving information if we are careful or if we all act together at once; while protecting each other.

We can utilize the internet too, however

We can utilize the billions of memory cards that most all of us already own. And almost everyone in the world has access to a computer, or will in the near future.

It is easy to copy a file, such as a book in PDF format, or an audio recording, or a whole folder of items, using two memory cards, or even two cell phones, and a laptop. Invent new bridge devices.

With memory card technology, We the People have the capability of running local internets ourselves, simply by passing gigabytes of information to others, by hand, to friends and neighbors.

If we can all get on the same page, and define as a group what kind of *world government conditions and rules* we will enjoy having over our heads, we can do amazing things together. In truth, we really don't need to be governed or told what to do, rather we need to be protected and serviced by a benevolent system.

For starters, every 18+ year old around the world should soon have this booklet, mostly delivered through the People's Internet. And most every adult should purchase a gun or learn how to use an alternative defense to protect ourselves and our families.
